The Officer-in-Charge (OIC)
Arachchikattuwa Police Station
Arachchikattuwa, Puttalam District

Permission to Conduct Drone-Based Data Collection – Arachchikattuwa Coconut Areas

Dear Sir,

I, Prof. Koliya Pulasinghe, Research Coordinator at SLIIT respectfully request permission for our student group (Group No: 25-26J-384) to conduct limited aerial data collection within selected coconut-growing areas in Arachchikattuwa as part of an approved academic project. This activity will be carried out in collaboration with, and under the technical supervision of, the **Coconut Research Institute (CRI), Lunuwila.**

Research Project Title: AI-Powered Drone Based System for Comprehensive Coconut Tree Health Monitoring and Yield Prediction

Equipment: DJI Mini 3 Pro Intelligent Flight Battery Plus drone

Locations: Arachchikattuwa Coconut Plantation Areas

Purpose & Scope: To capture canopy-level images/videos of coconut trees solely for academic research; no residential or personal surveillance will be conducted.

Academic Supervision:

Ms. Uthpala Samarakoon – Senior Lecturer, Department of IT, Faculty of Computing, SLIIT
Email: uthpala.s@slit.lk | Tel: +94 11 7544 138

Student Team (Grp 25-26J-384):

- Subasinghe S M U (Leader) – IT22186638
- Panditharathne R.L – IT22266200
- Pasanjith W A R – IT22898920
- Karunarathne B.G.T.N – IT22027788

Safety & Compliance Measures:

1. Flight altitude will remain below 120 m AGL, with Visual Line of Sight (VLOS) maintained at all times.
2. Operations will avoid restricted/sensitive areas and comply with all police instructions immediately.
3. Data will be handled under university research ethics and used only for academic analysis.

We kindly request your written permission to proceed on the above dates. We remain ready to comply with any additional conditions you may stipulate.

Thank you for your support.

Yours faithfully,

Prof. Koliya Pulasinghe
Research Coordinator, SLIIT
